We are offering two types of registration: Full and Guest.

The **Full** registration is for members only, and includes all program activities and privileges ("goodie" bag, buying and selling at the sale and auction, voting at AGM).

The **Guest** registration includes all program activities and is for friends/spouses of CCCC members. **Guests** are not entitled to set up a sale table or put items up for auction, though they may buy at these events. They may not vote at the AGM.

We are collecting registration fees in **EUROs**.
